

# Online Documentation

Last Modified on 01/09/2023 4:05 pm EST

## **Online Documentation**

Selecting this option will open the workstation web browser to the Training and Reference Documents page of the SedonaOffice website. Users may view and download documentation directly from this location.

### Important Notes:

- The documents available on this site may not be the most current. Please login to BoldU for all the latest SedonaOffice documentation.
- In the near future, when selecting this option, the User will automatically be directed to the BoldU website.
