Last Modified on 01/20/2023 10:56 am EST

When highlighting a Job in the Open Jobs area of the Active Pane, and selecting the right-click option of Edit Job, the Job record will open to the Sales Summary page. If there are no open Jobs for the customer, no right-click options will be available.

If the User does not have the appropriate permissions, they will not be able to open a Job record.
