

# Increasing or Decreasing RMR Rates for a Master Account

Last Modified on 01/09/2023 2:01 pm EST

All Recurring Rate Changes, either increases or decreases are performed by using using one of two methods:

- The [Company Rate Change](#) program found within the Client Management module.
- Manually [increasing a recurring line](#) from a Subaccount record.
- Manually [decreasing a recurring line](#) from a Subaccount record.
