

User Group Security-Miscellaneous Invoices

Last Modified on 01/09/2023 4:24 pm EST

For a User to be able to generate Miscellaneous Invoices, certain security privileges must be granted to the User through the User Group Security options within SedonaSetup. The following User Group Security options located within Application Access/AR security options section pertain to Miscellaneous Invoicing.

- Invoicing - allow the Users to generate and post Miscellaneous invoices from the Accounts Receivable menu or the Customer Explorer.
