

SedonaSetup - AR - EFT Setup

Last Modified on 01/12/2023 9:27 am EST

□

If your company has enrolled in the automated EFT customer payment processing with our business partner Forte, you will need to setup this form prior to processing any EFT transactions. Most of the information required to fill in this form will be provided directly to your company by Forte.

Once you have received this information, contact support@sedonaoffice.com to schedule an appointment to assist you in entering your information into the correct fields on this form.
