

Commission Due - Invoiced

Last Modified on 01/31/2024 1:06 pm EST

The layout of this new report is similar to the Commission Due 50/50* Report. This report is designed to calculate commissions due based upon Job Invoiced amounts and the percentage of the Job that has been invoiced as of a particular date. If the Job has been invoiced 1%, then the report will show that 1% of the Job Commissions are due.
