## **Time Windows**

Menu path: Setup > Proposal Setup > Time Windows

The Time Windows setup is used to define a window of time that can be added to the Quick Quote as an estimate of when the technician is available. You may create as many Time Window records as needed.

Time Windows			
• Add Time Window			
Description	Start Time	End Time	5
02 Monday AM	8:00 AM 3 ©	12:00 PM 4 ©	✓ Update
01 Sunday AM	10:00 AM	12:00 PM	Zedit X Delete
Image: Image Image: Image Image: Image Image: Image Image: Image Image: Image: Image Image: Image: Image: Image Image: Image: Image: Image: Image Image: Imag			

To add a time window to your Quick Quote:

- 1. Click on Add Time Window
- 2. Add a description
- 3. Select a start time
- 4. Select an end time

## 5. Click update to save the record
