

Upgrade Checklist

Last Modified on 03/21/2024 11:22 am EDT

View and download the [upgrade checklist](#) to facilitate your software upgrade from SedonaOffice version 5.7 to version 6.2.0.16.

You are required to make the upgrade to version 6.2.0.16 to continue using Forte to process payments in SedonaOffice.

Visit our [frequently asked questions](#) to learn more about why this upgrade is required and the impact it will have on your system.
