

Depositing the Settled Funds

Last Modified on 08/19/2024 5:37 pm EDT

Users will be able to deposit payment batches into their bank accounts within SedonaOffice once all items in the deposit have settled.

If the funds have not settled, the user will see the message:

□

Users may check Forte's Dex system to check on specific transactions to see if they have settled. Please contact Forte regarding use of this program.
