

What to do with Zero Dollar Payment Batches

Last Modified on 09/12/2024 5:51 pm EDT

On occasion a Payment Batch in Payment Processing is Zeroed Out but cannot be deleted.

However, the Payment Batch can be Re-used for a new Payment Batch.

Payment Processing

Go to Payment Processing and highlight the Zero Dollar (\$0.00) Payment Batch. Click "Edit"

□

The Batch Information screen will open.

Enter a new Batch Date, Description and Tape Total. Click Save.

□

The Updated Payment Batch will now be listed in Payment Processing.
