

WeSuite – How Part Costs Edited in an Estimate Import into a Job in Sedona

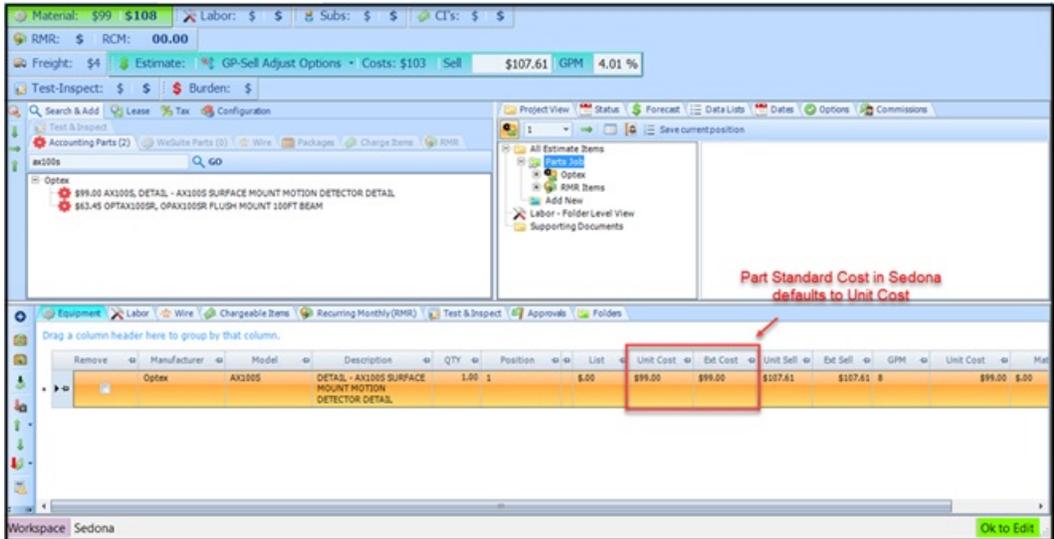

Last Modified on 04/01/2026 12:30 pm EDT

When a Part is added to an Estimate in WeSuite, the "Unit Cost" defaults to the "Standard Cost" of that Part in Sedona Office, which is located on the Warehouse Tab of the Part Edit Screen.

WeSuite

The "Unit Cost" Can be manually changed within the Estimate .

SedonaOffice

When the Job is imported into SedonaOffice the "PO Cost" field on the Materials Tab will display the Amount that either defaulted or was updated in the "Unit Cost" field of the Estimate.
